

Alive and Kicking

Supporters Club\*

invites you to

# BUY ONE! - GIVE ONE!

*buy a high quality soccer ball - and at the same time be donating a ball to a children's team in Africa*

*These superb soccer balls, hand stitched in Kenya and Zambia and printed with health awareness messages, are manufactured specifically for the soccer-mad children of Africa, with the help of donations from all over the world. Now, under a new programme, you or your Club can acquire these fine balls for a competitive price, and at the same time be giving hope and joy to the young people of Africa by donating a second ball to them and their teams!*

Yes! I would like to purchase \_\_\_\_ ball(s)

@ \$65 per ball (tax-free and made without child labour) and at the same time be donating an equal number of balls to Africa through Alive and Kicking Supporters Club

\* Alive and Kicking Supporters Club is a charity incorporated under the Societies Act of Nova Scotia, and working out of the Annapolis Valley. Its mission is to raise funds to provide soccer balls for African children, while promoting youth health awareness in Africa and at the same time providing employment for Africans. The Club is the first of its kind in Canada to provide support for the world-wide organization Alive and Kicking, which is headquartered in London, UK.
